

Old Main STREAM Academy
Testing and Accountability
2023 - 2024 Testing Information

Dear Parents/Guardians:

Welcome to the 2023 - 2024 OMSA School Year! Old Main STREAM Academy is responsible for the training, materials distribution, and reporting of all North Carolina Department of Public Instruction and federally required assessments. These assessments include:

- North Carolina End-of-Grade (EOG) English Language Arts (ELA) and Mathematics assessments in grades 3-8 (May 14-May 23, 2024).
- North Carolina End-of-Grade (EOG) Science assessment in grades 5 (May 14-May23, 2024).
- Amplify (mClass K-3 Literacy Assessment) (August 22-September12, 2023) (January 8-25, 2024) (April 23-May10, 2024).
- Grade 3 BOG (August 30, 2023).
- Grade 3 EOG Retest (May 22, 2024)
- RTA (Read to Achieve) Grade 3 (May 23, 2024).
- RTA (Read to Achieve) Grade 4 Transition Student Test (October 26, 2023).
- *NC Check-Ins 2.0 (District Required Assessment) are formative assessments developed with the North Carolina Department of Public Instruction. The NC Check-Ins are administered three times per school year in Grades 3 - 8 in Math and Grades 3 - 8 in English Language Arts (ELA), Grades 5 Science,

Based on their educational needs, alternate and accommodated assessments are also available for students with disabilities as identified through the Exceptional Children's (EC) program. These assessments have the same testing windows per test administration. Old Main STREAM Academy reports and collects state and federal data. This data allows our Leadership Team to evaluate and make critical decisions to adjust the instruction to the school's and student's specific needs. You can find more information by visiting the North Carolina Department of Public Instruction: <https://www.dpi.nc.gov/students-families/parents-corner/testing-information-parents>.

We will continue to provide schools, parents, administrative leaders, and key stakeholders with information, research, and resources to facilitate data-driven decisions for improving student performance.

Sincerely
Dr. Stephanie Lowry
